

Principles of Management Information Systems

Instructor Info, Course Info, and Testing Requirements

Suresh Paul

Algorithm Basics and BW

Agenda

- ▶ Instructor Information
- ▶ Course Information
 - ▶ Basic roadmap
 - ▶ Testing requirements
- ▶ How to do well in this course?

Instructor Information

Instructor Information

- ▶ NAME: Suresh L. Paul
- ▶ TEACHING INTERESTS:
economics, finance, analytics, ai
- ▶ RESEARCH INTERESTS:
applied economics, ai
- ▶ SPECIFIC RESEARCH TOPICS:
 - ai.— Economics of AI, *Book*
 - corporate governance.— ceo pay
 - health economics.—
opioids, viral transmissions
 - labor economics.— gender wage gap

- ▶ QUALIFICATIONS / DEGREES:
 - cphil finance.— binghamton univ
 - ms industrial engg.— univ of cincinnati
 - bs mechanical engg.—
ceg, anna univ, india
- ▶ CURRENTLY:
 - founder & research scientist.—
algorithm basics
 - professor.— baldwin wallace univ

Course Information

Course Information: Roadmap

Module 1:

- ▶ Introduction to MIS
- ▶ Case studies

Module 3:

- ▶ SQL Basics
- ▶ MS Excel Basics
- **Quiz**

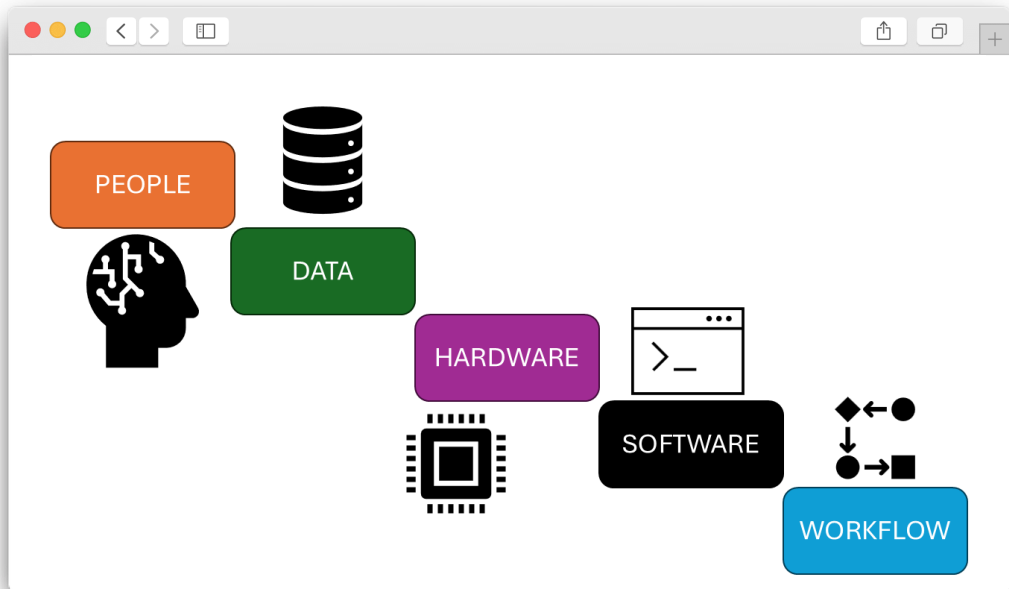

Module 2:

- ▶ Version Control Systems
- ▶ Blockchain & Tokenization
- ▶ Artificial Intelligence

Module 4:

- ▶ Ethics
- **Case Study Report**
- **Case Study Presentation**
- **Final Exam**

Course Information: Roadmap

Course Information: Testing Requirements

Quiz & Exam:

- ▶ Quiz: 20%
- ▶ Exam: 20%

Homework:

- ▶ Homework: 20%

Case Study:

- ▶ Report: 10%
- ▶ Presentation: 20%

Misc:

- ▶ Class participation: 10%

How to do well in this course?

- ▶ Attend class regularly.
- ▶ Participate in class.
- ▶ Put in effort on homework assignments.
- ▶ Restricted use of AI
